NOTE: The colors you see on a monitor or paper proof are simply a representation of the colors. The actual colors will be determined by any PMS colors provided, which will be matched as close as possible on the actual printed product. Exact matches are not guaranteed. Please notify FASTSIGNS if you need to specifically see or select the color representation for your product. If revisions are requested, please note and email back, and a revised layout will be made.

> Once a proof is approved, any mistakes in color, content or accuracy will be the responsiblity of the customer. All orders are custom, they are non-refundable and non-returnable.
